Oldsmobile. Sets the Pace

> A Demand for Better Value Ably Met.

Everywhere it has been shown, the Oldsmobile "4" seems to have struck the keynote of strong demand for better value in a four-cylinder car of modest price.

Its enthusiastic acceptance by farmers and other business men who travel the highways proves how great was the need for a roomy, powerful Oldsmobile "4" in their communities.

The latest addition to this twenty-three-year-famous line has that char-acteristic touch of grace and beauty you always expect of Oldsmobile de-

It has a generous wheelbase of 115 inches. In other words, it is long enough for easy riding, and still handy enough for taking sharp turns and manoeuvering in narrow spaces.

The Oldsmobile "4" has been built particularly to stand hard, rugged wear. You will be amazed at its steady pull up uneven grades and through the roughest sort of going.

The body and engine are mounted on a sturdy frame, 7 inches deep at

point of greatest stress. Swung low on extra long springs, it holds the road in greater comfort and safety.

The quality of its leather upholstering and the permanent finish of its paint job are of the same standard superior character that has made Oldsmobile notable for fine, handsome body work.

See this car at your first opportunity -try its speed on the road-its in-viting ease of riding and driving-its overage of power for every excess demand.

In its twenty-three years of consistent support, the public has come to anticipate better values in every product that bears the Oldsmobile

And we are confident that you need only to get behind the wheel to find out how right is the general verdict that the Oldsmobile "4" establishes a new value in four-cylinder cars of its size and quality.

To such Milburn's Heart and Nerve Pills come as a boon and a blessing, Their purpose is to make the weak heart strong and the shaky nerves firm, and thus build up the entire system to full strength and vitality.

Miss L. E. Hopkins, Kirkton, Ont., writes:—"I have used Milburn's Heart and Nerse Pills for weak beart. I was so nervous I had to leave achool for two years. After I b' 1 taken five boxes of the pills I was able to go back to my achool again, feeling in good health.
